

North Vancouver's Western Stevedoring is the largest and most diversified general stevedoring contractor in British Columbia and operator of multiple break-bulk terminals in the Lower Mainland and on Vancouver Island.

For more than seven decades, Western has continued to grow and diversify services for the benefit of our valued customers and partners. This success is attributed to the skilled and dedicated employees that Western has been fortunate enough to attract and retain in the organization for many decades. Western currently has an excellent opportunity for an energetic and experienced individual to play a key role within our Ship Operations team, as follows:

Ship Operations Superintendent

Western requires a team member to play a key role in the management and supervision of the Company's vessel stevedoring operations as Superintendent. This individual will support the delivery of efficient cargo handling services to the forestry, steel and general cargo sectors.

The ideal candidate will possess relevant post-secondary education and a minimum of 10 years' experience encompassing logistics and distribution in a heavy industry environment; marine preferred. Strong leadership skills, the ability to multi task in a challenging environment as well as a thorough understanding of collective agreements and relevant safety standards are essential.
